Dear Hiring Manager,

I am writing to express my interest in the Full Stack Web Developer position at ABC Corporation, as advertised on LinkedIn. With a solid foundation in both front-end and back-end development and a strong grasp of React.js, I am excited about the opportunity to contribute to your team.

Currently pursuing a Diploma in Computer Science Engineering at Model Institute of Science & Technology. Through coursework and personal projects, I have gained hands-on experience in HTML, CSS, JavaScript, React.js, Node.js, and MongoDB. These projects helped me build scalable, user-friendly web applications.

Additionally, I'm especially drawn to your company's innovative use of modern technologies and its collaborative culture, which aligns closely with my values as a developer.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of your team. Please find my resume attached for your review.

Best regards,
